## Valencia

### Modernist Valencia + Dinner with Paella

We propose a tour of the most unknown Valencia, the Modernist Valencia. At the end of the 19th century the city of Valencia experienced an important political and social development, which was reflected in the architecture of the city. We will discover the Paseo de la Alameda, the Ensanche, with significant buildings such as the Casa Chapa or the Ortega house, to continue to the neighborhood of Colón, from which we will start a walking tour that will reveal an eclectic and original city: the Casa de los Dragones, and its commercial area, the Plaza del Patriarca and the Palace of the Marquis de dos Aguas, the street of La Paz, the most modernist city and entry point of medieval Valencia.... Our tour will end at a local restaurant where we will enjoy the original and authentic Valencian paella. The menu consists of starters, Valencian paella, dessert, coffee and a drink.
