

M/S CAPTAIN BOTA
DELUXE 🌟🌟🌟
38 Passengers

Launched in 2015 Captain Bota is just perfectly designed for your relaxed and rejuvenating retreat while sampling the very best of the fabled Dalmatian coast with its little islands, romantic bays and medieval ports.

The brand-new Captain Bota is a gem in the fleet of yacht-like ships built in the Split shipyard according to the latest EU standards applicable to small ship cruising. With the friendly crew of 7 members Captain Bota offers an intimate atmosphere accommodating up to 38 passengers in her 18 spacious cabins with private facilities and air conditioning.

Nicely appointed public areas located on the upper deck include a spacious restaurant with panoramic windows adjacent to a large terrace with deck chairs and tables where you can spend your time at leisure and enjoy your open-air breakfast. For swim lovers there is a large platform with two ladders as well as public showers.

Sundeck with loungers on the top most level measures 250 square meters and features a wow factor – an open-air Jacuzzi
