

Remota Lodge ★★★★★

Soft Program

Excursions Program Menu

The lodge offers more than 10 excursions daily, divided into sections of interest. Trips are offered on 4x4 vehicles, horseback riding, bicycle, walking, and sailing the fjords; in addition, the Remote Lodge offers a fly-fishing program. This way our guests can experience firsthand the natural and cultural beauty of the Torres del Paine National Park, a World Heritage Site and a World Biosphere Reserve; and go beyond to valleys, mountains, lakes, glaciers, rivers and forests.

Excursion	Duration	Difficulty
PUERTO NATALES WALK	1½ Hours	Low
To experience and understand life in the Province of Última Esperanza (Last Hope) it is important to know the history of Puerto Natales and its inhabitants. Among other things, we will learn about how the city was built, the nature of its people as well as its traditions. You will visit different points of interest such as Fishermen's Dock, the City Council Museum, Main Square and surrounding buildings		
NEW HORSEBACK RIDE IN A PATAGONIAN FIELD	5 Hours	Low/medium
Heading out from Remota, it takes about a 30-minute drive to get to a traditional Patagonian ranch (estancia). We will be received by a 'Gaucho' (Cowboy) who will take you on a ride through the Patagonian landscape, where you will see magnificent views of cliffs sculpted by glaciers and natural rock viewpoints, formed by wind erosion. In this imposing but spectacular environment, we will take a well-deserved break to share some 'mate'; a traditional hot tea beverage of Patagonia.		
WALK TO THE THREE CAVES	5 Hours	Low
We will explore Cueva Chica (Small Cave), Cueva del Medio (Medium Cave) and the large Milodon Cave. Milodon is an extinct genus of giant ground sloth that lived in Patagonia until roughly 10,000 years ago. In addition, this is an important archaeological and cultural monument because the earliest human remains of the region were discovered.		
VENTISQUERO VALLEY HIKE	5 Hours	Low/medium
We will depart from the hotel by van, taking the Milodon Cave route Y-290 for 45 minutes until we arrive at one of the closest valleys to the town of Puerto Natales. From there we will cross the Ventisquero Valley that gives us a taste of Magellanic forests, pre-Andean bushland and great waterfalls. Thanks to Remota guests are able to visit this landscape exclusively, and enjoy one of the incredible landscapes hidden in Patagonia.		
BENÍTEZ TREKKIN	5 Hours	Medium
In this excursion we will try to recreate the early settlements of Patagonia and get to know the rocky eaves, used in the old days by the Tehuelche people. We will also enjoy magnificent views of Lake Sofia and the valley of Sierra Señoret.		
MOUNTAIN BIKE BALMACEDA LAKE	5 Hours	Medium
This excursion starts in Estancia Los Rebaños. We'll descend through an old, majestic Lenga forest until we reach the shore of Balmaceda Lake. From there we will continue pedalling around the lake on an old cart trail; crossing streams, fences and wetlands. Towards the end you will be able to appreciate the beauty of the Patagonian Andes, Rotundo Mount and the Almirante Montt Gulf.		
FIELD DAY IN ESTANCIA	8 Hours	Low
We will depart from Remota to visit a typical Patagonian Estancia where the spirit and character of the first settlers can be felt in the shearing sheds of these far-away lands. We will also enjoy authentic Patagonian lamb roast on a stick.		

Excursion	Duration	Difficulty
MIRADOR DEL TORO (BULL'S VIEWPOINT)/LAZO WEBER	8 Hours	Medium
<p>We will start with a 2-hour tour by van towards the traditional Estancia Lazo, located just at the foot of Paine Massif. The trail is surrounded by Lenga forests displaying a huge variety of flowers during spring and summer. You will see several lakes whose surroundings provide refuge to a variety of different species of birds which are part of the incredible view. The trail finishes in Mirador del Toro (360° panoramic view), one of the best places to appreciate the geographic diversity of the Torres del Paine National Park</p>		
TORRES DEL PAINE NATIONAL PARK	8 Hours	Low
<p>This is the perfect excursion to get an overall view of the park. You will see Torres del Paine from one side to the other. You can enjoy all its views, including Amarga Lagoon and Nordenskjöld Lake. We will do short walks to visit Salto Grande, Cuernos lookout and the Icebergs viewpoint, at the Lake Grey beach. Lunch and all entrance fees are included.</p>		
ACTIVE FULL DAY TORRES DEL PAINE NATIONAL PARK	8 Hours	Medium/low
<p>A photographic safari through Torres del Paine. We will concentrate our tour on the eastern side of the park where most of the animals can be found. You will start hiking at the Sarmiento lake entrance and crossing to the Amarga Lagoon entrance. From here we will walk through the Patagonian steppe, habitat of guanacos and pumas where you will be able to see the Paine Massif from a distance. After this you will continue to the Nordenskjöld lake lookout and Pehoe camp. After lunch the next stop is the Paine river waterfall, the main artery of the park, and heart of the hydrologic network in Torres del Paine.</p>		
VIEWPOINT LAS TORRES / BASE TOWERS	8 Hours	High
<p>After an hour and a half trip by van we will arrive at Cerro Paine. From there we will start hiking. To reach the Ascencio Valley you will climb to the Paso de los Vientos (Pass of the Wind) to get an amazing view of the pampa, lakes, and Ascencio valley. After that we will retrace the valley, crossing an old Lenga Forest to reach the beginning of a glacial moraine which we will start climbing step by step until we reach the Base Towers. If weather conditions permit you will have a great view of the towers. This without a doubt represents a challenge to anyone that likes hiking.</p>		
BALMACEDA AND SERRANO NAVIGATION	8 Hours	Low
<p>This crossing will emulate the one made by Spanish skipper Juan Ladrilleros in 1557, when as a last hope of finding the Strait of Magellan he came across with the glaciers of Balmaceda Mount. We will depart from Puerto Natales, sailing for 3 hours through the fjord toward Balmaceda Mount, located at the Bernardo O'Higgins National Park, the biggest in our country. We will dock at the national park, disembark to do a short walk to see the Serrano Glacier. On our return we will visit a estancia to enjoy a typical Patagonian lamb barbecue.</p>		
LAKE GREY NAVIGATION	8 Hours	Low
<p>Departing to Torres del Paine National Park through route Serrano, we will visit the vantage points of Lago del Toro, Los Cuernos and Grey Glacier to continue toward Lake Grey, where we will navigate around the glacier for 3 hours. You will be surrounded by an unrivalled landscape of floating icebergs, lush vegetation and majestic mountains. You will witness up close and personal all the wonder, beauty and magnitude of the ice walls, standing at a height of 20 meters. A true spectacle of nature.</p>
