Day 2: Athens (Cape Sounio)

Morning Athens city tour of Athens. This tour gives you the opportunity to observe the striking contrasts that make Athens such a fascinating city. Our expert guides will take you to see the Panathenaic Stadium where the first modern Olympic Games were held in 1896 (short stop). Continue and pass by the Temple of Olympian Zeus, the Hadrian's Arch, the Parliament and the Monument of the Unknown Soldier, the Academy, the University, the National Library, the Constitution Square (Syntagma). At the Acropolis you will visit the architectural masterpieces of the Golden Age of Athens: The Propylaea, the Temple of Athena Nike, the Erechtheion and finally "the harmony between material and spirit", the monument that "puts order in the mind", the Parthenon. In the afternoon continue to famous Cape Sounio and visit the Temple of Poseidon where you visit the remains of the ancient temple overlooking the Aegean Sea. Enjoy the beautiful landscapes of the Greek coast along the beautiful beaches of Glyfada, Vouliagmeni and Varkiza. This escapade also allows to combine various pleasures: grandiose setting, archeological site overlooking the sea, superb views of the coast, beautiful beaches and traditional Greek taverns. Stay until the evening to admire the magnificent sunset over the sea. Return to the hotel for overnight. [B]

Day 3: Athens, Santorini

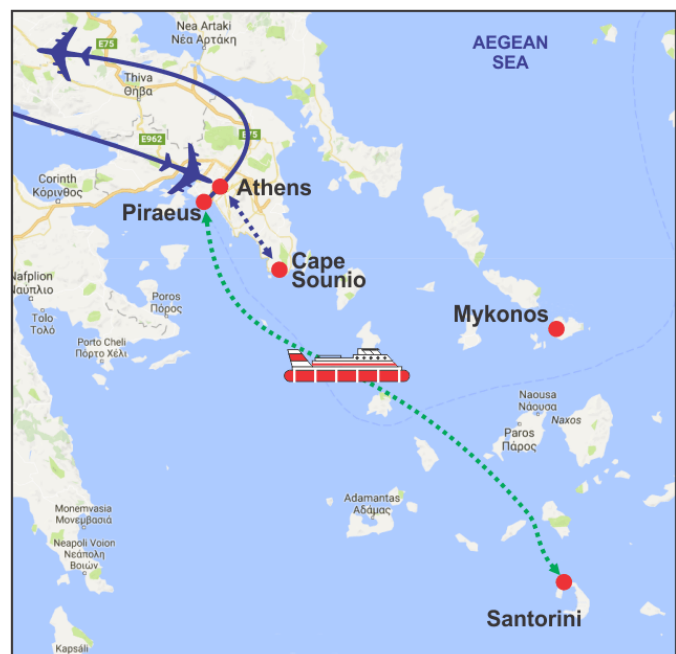

After breakfast you be transferred to port of Piraeus to take the high-speed ferry to Santorini. Upon arrival transfer to hotel. Take in the beautiful landscape before your eyes, relax, mix with the locals, Enjoy the traditional drink, listen to music and try your step at the sirtakis! Overnight. [B]

Day 4: Santorini

Day at leisure in Santorini. Overnight. [B]

Here are some suggestions: Start your day by descending the 500 steps that separate the city center and the harbor, just avoid the donkeys, and their many (too many!) gifts regularly arranged along the 4,265 feet staircase.

The volcano is a must in the archipelago! Several companies offer an excursion, with hiking, breathtaking views of Fira and swimming in warm waters. In the winter, when the number of tourists in Santorini is less, only one daily rotation is provided on the "basic" circuit. This is one of the other advantages of winter, you find yourself almost alone on the island. The boat leaves at 11am and count €20 person for a 3-hour of tour, the tickets can be bought on the main street or directly on the boat. After eating, walk to Fira's cathedral, built in the style of the island's buildings and, then leave for Oia. The road is beautiful, overlooking the fields and natural areas of Santorini. Oia is a small village where you can find many blue and white houses and churches. The streets are very clean and you can even find

mills on the reliefs. Feel free to lose yourself, anyway, almost all the streets join the main artery of Oia, which is pedestrian.

Day 5: Santorini, Athens

After breakfast at the hotel be ready for your transfer to Santorini's port for the ferry back to Athens. Upon arrival transfer to hotel. Overnight. [B]
