After breakfast we will go to Lake Bratan, a crater that lies serenely in the midst of an elongated valley which was formed centuries ago. A small temple called Pura Ulun Danu Bratan, to honor Dewi Danau goddess of the lake, can be seen on the lake promontory. Stroll along to Candi Kuning market, where local fruits, vegetable and flowers are sold. Next, continue through breathtaking valleys of rice paddies near Jatiluwih to visit Pura Luhur Batukaru Temple, in dense jungle near the peak of Gunung Batukaru, Bali's second highest mountain. The ancient temple complex has a number of separate sanctuaries joined by damp mountain paths, bubbling spring and large rectangular lake with a shrine in its midst. Afterward return back to your hotel and enjoy the rest of the day free. [B/D]
