Hotel Description

The Patagonia area is vast, distinct and breathtaking. From Torres del Paine National Park, to the fjords and glaciers, the steppes and the native forests, the cattle and ranches to its people and culture. To live and feel Patagonia is Remota Lodge's mission; a hotel that does not measure itself by the number of stars nor by the urban frills. The concept of luxury for is much more noble and generous as incorporates the rich environment where the property is located All of Remota's buildings are in perfect harmony with the environment and the local culture, from its well-recognized sustainable architecture, to the way that all the more than 10 excursions –offered daily - are restructured and created so that they cause minimum impact to the local ecosystem.
