*Captivating and dynamic archipelago, Malta is one of the most beautiful places in Europe, you will find many activities and beautiful cultural places. Malta is divided into 3 islands. The main island is home to the country's only airport and its capital Valletta, then Gozo and Comino, two smaller islands in the North that are accessible by boat. Valletta is the capital of the island, and is one of the smallest in Europe with a total population of around 7,000. In this particularly pleasant city, is the best is to get lost in its streets to capture the atmosphere of the place. Everything can be done on foot very easily. La Mdina is nicknamed the silent city, and I can assure you that she bears her name very well. While strolling in its alleys in the morning, what strikes first is its calm. I really advise you to take a few hours in the morning to wander a bit and have a coffee with a pastizzi. Without forgetting to go of course by the cathedral, magnificent!*

**Day 1: Valletta**

Upon arrival at Valletta airport you'll be met by our representative and transferred to your hotel in Valletta. The rest of the day is free. An optional dinner can be arranged for this evening.

*Recommended restaurant: Piadina Caffe (4.7)*

**Day 2: Valletta**

The tour starts with the magnificent view of the Barracca Gardens. Enjoy a spectacular panorama of the Grand Harbor. Continue to John's Co-Cathedral, built by the Knights of Malta. It presents a mix of Baroque art and architecture. See the world-famous Caravaggio painting – The Beheading of St. John The Baptist. This church is to this very day an important shrine and a sacred place of worship. See the Grand Masters Palace and other buildings of historical importance. Enjoy the Malta Experience, a multi-vision show that depicts Malta's history throughout the ages. Overnight at the hotel. [B]

*Recommended restaurant: Da' Pippo Trattoria (4.8)*

**Day 3: Valletta (Mdina, Mosta, Ta' Qali)**

Visit Mdina, a medieval walled town, situated on a hill in the center of the island. That is the Old Capital also known as The Silent City. Walk through the narrow streets and admire the imposing bastions that offer a fascinating view of most of the islands. Next in the program is the Cathedral dedicated to St. Peter & St. Paul. Inside, the immediate impression is one of grandeur. Visit St. Paul's Catacombs, a fascinating labyrinth of 3rd-century AD subterranean tombs and the earliest archaeological evidence of Christianity in Malta. Admire the cliffs at Dingli. They are the Island's natural fortress. Enjoy one of the most striking views from the cliff tops. Go to the gardens of San Anton, a botanical delight with mature trees, old stone urns, fountains, ponds and formal flower beds. Visit the Parish Church of Mosta dedicated to the Assumption of our Lady. During World War II, a German bomb fell on the rotunda, piercing the dome and falling into the church below. The bomb did not explode. A blessing attributed by approximately 250 worshipers who were in the church at that moment, to the intervention of Santa Maria. The final stop is in Ta' Qali crafts village. Overnight at the hotel. [B]

*Recommended restaurant: Gugar Hangout & Bar (4.7)*

**Day 4: Valleta (Vittoriosa, Cospicua, Senglea)**

Discover the historic area of the Three Cities: Vittoriosa, Cospicua and Senglea. Enjoy the splendid view, driving past Cospicua. Walking tour in Vittoriosa to get a feel of the original Maltese atmosphere in the various narrow streets shaded by many historic buildings and churches. Enjoy a typical harbor 'fregatina' and a tour of the famous harbor creeks. Visit Senglea, a fortified city in the east of Malta. Go to the 'Vedette' placed in the center of the grand harbor. Overnight at the hotel. [B]

*Recommended restaurant: The Submarine (4.7)*

**Day 5: Valleta (Gozo)**

The tour starts with a visit to Gozo, a small island of the Maltese archipelago. Both islands are similar in

history and development, but Gozo has a character entirely of its own. Gozo, which is a three hilled island, is greener and more picturesque than Malta. Visit the Temples of Ggantija, a two Neolithic, megalithic temple complex. The Citadel in Victoria, the capital of Gozo, is the main attraction in Victoria. Take photographs from the ramparts, the various attractions within the Citadel and the interesting nooks and crannies. Admire the Bay of Xlendi, which is one of the prettiest places on the island. See the Azur Window, a 164-foot high natural rock arch in the Dwejra Point cliffs. Another interesting attraction in Gozo is its woolen goods and handmade lace. Overnight at the hotel. [B]

*Recommended restaurant: Salvino's (4.7)*
