

**Introduction to Mozambique  
7 days – 6 nights  
Maputo, Limpopo National Park  
Safari, Nature, Adventure, Discovery**

**This program may be operated for individuals or for groups  
This is a suggested itinerary**

*Far from the multitude of lodges and camps in Kruger Park, Limpopo National Park offers a wild and pristine experience compared to its neighbor in South Africa. You are here in the heart of the bush, in a virgin and little visited savannah, then you take the full measure of the extraordinary offered by the safari in Mozambique.*

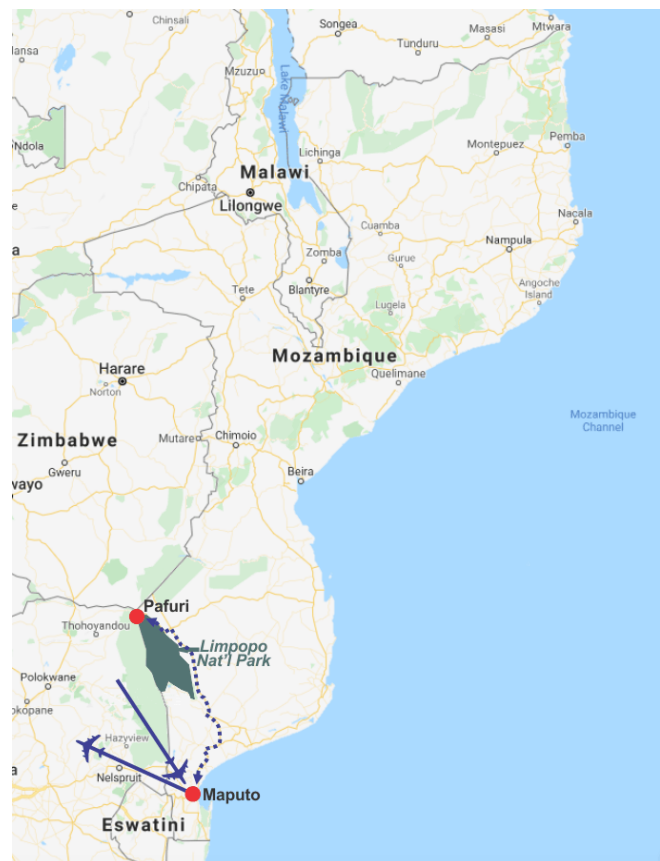

**Day 1: Maputo**

Arrival in Maputo. Welcome and transfer to your hotel. Relaxing afternoon by the sea. Free meals and accommodation at the hotel. [L/D]

**Day 2: Maputo**

In this busy city (nicknamed “New York of Africa”) the testimonies of the colonial past remain numerous. You just have to walk around the city center to realize it! The buildings seem to come directly from the 19th century, in particular those of Central Station and the Post Office. Do not miss Our-Lady of Fatima Cathedral, a Catholic church built in 1944 whose whiteness stands out from the mass of other buildings. But Maputo is also essentially African. We especially feel it in the markets that dot its streets. Continue to the “Baixa” (downtown) are near the busy harbor to walk the Central Market, a very picturesque place, where you will find of course all seafood, but also fruits, vegetables, sculptures and products from local crafts such as baskets. The building itself, built at the very beginning of the 20th century, is impressive. Stop for lunch at one of the local restaurants before visiting Tunduru Botanical Garden, very shaded and particularly appreciated for its freshness, especially in summer! Enjoy a few moments of calm before a visit to the most typical fish market where you’ll find all kinds of species straight out of the sea. You will also find them at the tables in the Costa del Sol quarter, with view over the Indian Ocean and palm trees, with several restaurants offering fish and shell-fish caught, prepared and cooked by the people who serve you! Have dinner at one of them before returning to your hotel for overnight. [B/L/D]

*A Limpopo safari will be for nature lovers, those who wish to immerse themselves and soak up the bush, without focusing on a list of essential animals to meet, probably less suitable for a first safari. Limpopo National Park, nestled between the Limpopo and Olifants rivers, is full of mountainous landscapes and wooded plains, lakes and rivers where many animal species have found refuge. Manhandled until the 1990s by the civil war in Mozambique, then forgotten, it has since 2002 been one of the largest wildlife reserves with Kruger Park and Gonarezhou Park in Zimbabwe.*

### Day 3: Maputo, Limpopo National Park

Early breakfast and departure in 4x4 for the Limpopo park (5:30 minute-drive) for check-in and installation in a tent at the safari camp. After lunch, a professional ranger guide will take you on a walking safari. The thick bushes contain kudus, gazelles, elephants, buffaloes unintimidated by the rare visitors. Birds sing in abundance. Meal and overnight at Camp. [B/LD]

### Days 4-6: Limpopo National Park

These 3 days will be devoted to walking safaris in the national park. You'll go on safaris to meet African wildlife on foot, guided by an experienced camp ranger guide, to experience total immersion closer to nature. As you are bound to encounter multiple mammal and bird species don't forget to pack your camera and enough memory to record your unique and unforgettable experience in southeast Africa. Meals and accommodation at your camp. [B/L/D]
