Ecotourism, Discovery, Culture, History

This program is fully customizable and may be operated for individuals, pods and groups

Located inside a protected area, the Iguazú National Park with a total of 55,500 hectares— stands the Iguazu River, which means "great waters" in the indigenous Guaraní language. Surrounded by a lush subtropical rain forest, you will find the majestic Iguazú Waterfalls. The more than 275 cataracts and volume of water places it among the most important and spectacular waterfalls in the world.

Day 1: Iguazu Falls

Arrival and reception at Puerto Iguazu airport. Meet your guide who will assist you and drive you to your hotel for check-in and overnight.

Day 2: Iguazu Falls

In the morning, we depart towards the Iguazú National Park to visit the Iguazú Falls, declared a Natural Heritage Site by UNESCO and one of the Seven Wonders of the Natural World. During the tour, we go through the three circuits of the Park: Garganta del Diablo (to reach the balcony and viewpoint of the most imposing falls of the Park), The Upper Trail (that provides a view of the falls from above) and The Lower Trail (that offers a closer contact with the vegetation and the falls). During the tour, free time to have lunch (not included) and to take the optional Great Adventure excursion. Return to the hotel for overnight. [B]

Signature Option: Great Adventure

This excursion is a thrilling adventure both inside Iguazu National Park as well as on the waters of the Inferior Iguazu River. First, on board semi rigid Zodiacs boats, get close to the foot of the San Martín, Bosetti, Three Musketeers waterfalls and the Devil's Throat canyon. Then, sail down the river rapids to Puerto Macuco, less than 2 miles from the falls. In the second part, we enter the jungle by the Yacaratiá trail, for an interpretation of the flora and fauna of the area, in trucks specially designed for this environment. This excursion is designed to experience and feel the Iguazu Falls. Visitors may take the boat excursion first and then take the walk through the jungle or vice-versa. Departures are scheduled every hour.

Note: *This trip cannot be taken by pregnant women or people with physical, cognitive and/or sensorial disabilities and children younger than 12 years.*

Day 3: Iguazu Falls, Buenos Aires

In the morning, we visit the Brazilian side of the Falls. Once inside the National Park, we walk along the only path that leads us to Garganta del Diablo viewpoint. As we walk, we appreciate a view of almost all the waterfalls. At due time, transfer to the airport. Arrival, reception at Ezeiza International Airport and transfer to the hotel. [B]

Day 4: Buenos Aires

This morning, we take a panoramic tour of the city. We start in Plaza de Mayo, witness to the most important events of the country since 1810. There, we are able to appreciate the surrounding buildings like the 'Pink House' (Government house), the Cathedral and Town Hall. We continue towards La Boca to walk along the famous Caminito alley and its colorful "conventillos". We leave the southern area of the city to head north towards Palermo and Recoleta, where we make a final stop to appreciate the contrast of what we have seen with this aristocratic district, famous for its cemetery where relevant personalities are buried. Afternoon at leisure. At 8.00 PM pick-up at the hotel for a drive to San Telmo, the cradle of Tango. "Gala Tango" is one of the most exclusive tango venues in the city, due to its architecture and decor, in the French style of the 30s, with its Carrara marble bar and refined details. The a-la-carte gourmet 3-course dinner carefully designed by its exclusive chef will be as well a distinctive trait of the evening. Around midnight, return to the hotel. [B/D]

Day 5: Buenos Aires

Day at leisure. Buenos Aires offers many options. We suggest you experience the city on your own through its history, art and gastronomy, in order to understand the “porteño” magic. Or you may take our optional tour to Tigre and the Delta area. [B]

Signature option: Tigre and the Delta

Transfer to Sturla Fluvial Terminal, located in Puerto Madero for a 90-minute boat ride to Paraná River Delta, where you will navigate through the islands and learn about the local lifestyle landing at Tigre. Visit Tigre and watch the main attractions while you listen to an audio track that will give you the necessary knowledge to understand the importance and history of each attraction. First, stop in Puerto de Frutos, the old port for commerce, which is now a touristic port, with free time to visit the fair, take pictures and buy souvenirs and crafts. Free time to have lunch on your own. If you wish, you will have the opportunity to visit either Museo del Mate, Museo Naval or Museo de Arte de Tigre. Then. Continue to the train station for a 1-hour ride to Buenos Aires along the South Atlantic coast. On arrival at Retiro Station you'll picked-up and transferred to your hotel.
